THE HON. C. SANDRA V. HUSBANDS

The Hon Sandra Husbands is a woman with a passion for human development and enterprise success. She is passionate about governance and being able to build strong economic and social platforms which enable people to live their best life. Her life is dedicated to positioning the nations and peoples of the Caribbean to build properly functioning societies and economies that uplift their people and provide them with the opportunities to achieve their dreams.

Minister Husbands currently holds the portfolio of Minister of Training and Tertiary Education with responsibility to ensure that the young adult and

adult populations are reskilled and upskilled to earn well in a changing global environment.

Sandra Husbands previously held the portfolio of Minister of State in the Ministry of Education with responsibility for tertiary education.

Minister Husbands also held the portfolio of Minister of State in Foreign Trade and Business Development with responsibility for supporting the development of small businesses; Financial Literacy training and commerce and consumer affairs; and

the portfolio of Minister in the Ministry of Foreign Trade with responsibility for trade agreements. The portfolio included advancing the trade opportunities in Caricom where possible for the CSME and wider across the globe. The Division of Foreign Trade has responsibility for protecting the interests of domestic enterprises and the broader economy in regional and multilateral fora.

Minister Husbands holds a Bachelor of Science degree in Sociology and Law and a Masters in International Trade Policy which prepares her to be able to lead and guide government trade policy to position and enable enterprises to secure trade in regional and international markets.
